SERVICE REQUEST

Attorney/Claim Representative: _____

Claimant Name: _____

Date Of Injury (DOI): _____

INCLUDED IN ALL OF OUR SERVICES:

- **ALL FILES** are date-stamped, scanned/OCR, sorted chronologically (duplicates noted), color coded and tabbed.
- **ALL FILES** are evaluated and an RDR (Required Documentation Request) is compiled with proper verbiage to assist you in obtaining required missing documents.
- **ALL FILES** are data-entered in order to prepare the NCCI Edits (National Correct Coding Initiative) which identify inappropriate HCPC/CPT coding; e.g. unbundling, fragmenting, etc.

EXPERT REPORTS: ✓ one

- BILLING/CODING & DOCUMENTATION SUMMARY REPORT** - A very cost-effective and thorough evaluation of the medical documentation to determine whether the bills/codes correlate to the treatment documented in the medical records – *A powerful tool for use at deposition, mediation and/or settlement negotiations.*
- COMPREHENSIVE BILLING/CODING & DOCUMENTATION REVIEW:** The most in-depth, authoritative review of the billing/coding and documentation; licensure; provider and corporate relationship. A complete report with attachments and references will be provided along with exhibit documents – *Consider after mediation, and if case is **definitely** going to trial.*

ADDITIONAL SERVICES - ✓ one or more as needed

- ___ **Mediation Preparation** - Presentation-ready information describing key issues with brief descriptions which allows counsel to effectively refute unnecessary or inappropriate billing.
- ___ **Deposition Questions** - Targeted questions designed to elicit important key information to uncover and/or document abusive billing/procedures.
- ___ **Investigation/Research of Provider and Corporate Relationships**
- ___ **Expert's Attendance with Counsel at Deposition**
- ___ **Deposition/Trial Testimony**
- ___ **Settlement Consultation** – Assistance in settlement negotiations to reduce medicals – past, present, future.
- ___ **Patterning** - Not restricted to a single file/case -- This service demonstrates patterning of abuse by provider and/or medical facility.
- ___ **Peer Reviews, Diagnostic Test Reviews, and IME/CMEs** – Please call for more information.
